All our gowns are well-tailored and designed in true academic style. This means every Gaspard gown features an attractive yoke complemented by a unique cartridge fluting that allows for extra fullness. Each gown is further enhanced with a pleated front and intricate shirring across the shoulders and back.

Gaspard gowns are lightweight and crease resistant with a flowing body and full sleeves for maximum comfort. All deluxe rental gowns have a high-quality nylon zipper guaranteed to provide a trouble-free performance.

Gowns are available in nine academic colours: red, gold, maroon, blue, purple, white, emerald green, navy and black.

The Gaspard Rental System

Gaspard specializes in fast and simple gown distribution.

All gowns arrive at your school ready to wear. They're cleaned, pressed, packed in plastic garment bags and organized alphabetically. All you have to do is hang them up in the order they come out of the box...and pass them out.

Returning the gowns is just as easy. Simply repack them in the same cartons and call for pick-up. We even include the return labels and waybill.

Souvenir Graduation Tassels **An affordable memento for a job well done!**

Tassels make excellent souvenir gifts for family and friends since each features a Golden Graduation Yeardate Pendant with the student's graduation year. When worn on the cap, the tassel is moved from the left side to the right side once the student has graduated as a symbol of the student's success. Each student can keep the tassel as a memento and reminder of personal achievements.

Beautifully crafted out of 100% rayon, each tassel is over nine inches long and at least 64 strands thick. For the student who wants a tassel that really stands out, we have a jumbo tassel that's more than three times the thickness of the regular tassel.

Available in solid colours or two- and three-colour combinations. For purchase only.

Souvenir Key Chain Tassels

Made from 100% natural rayon with small Golden Graduation Yeardate Pendants, key chain tassels are attractive decorations that can really beautify a key chain. They're perfect for the student looking for a special yet practical graduation souvenir.

Available in solid colours or two- and three-colour combinations. For purchase only.

Memento Cap

A precious personal memento and universal symbol of education meant to be treasured for many years. Students can even collect fond memories by using the specially designed oval inside every cap to gather autographs and messages from fellow graduates.

Each cap is well made with non-binding side elastics for a comfortable fit. A tassel (in the colours of the student's choice) and a Golden Graduation Yeardate Pendant are also included with every cap.

Cap colours and fabrics match our rental gowns. One size fits all. For purchase only.

Memento caps and tassels returned for credit will be subject to a 20% restocking fee.

Graduation Vee Stoles

Take that extra step to help your students look as proud and distinguished as they feel. Complement each gown with a comfortable lightweight vee stole available in the same vibrant colours as our graduation gowns. For added visual impact, try one colour for the boys and another for the girls. One size fits all. For rent only.

Custom Graduation Vee Stoles

Celebrate the uniqueness of your school and your students with customized graduation vee stoles. Mix and match colours to create electrifying two- or three-colour combinations. Or simply add one of your school colours to basic black for a polished, classic look. Custom stoles are made from crease-resistant polyester knits that are durable and washable. Choose from three fabric types: Pilgrim (with a soft sheen), Satin (shiny and luxurious) or Millennium (a smooth knit). One size fits all. For purchase only. Colour swatches are available on request.

Recognition Stoles

Use this stole to give visual recognition to valedictorians, class officers or students who have made a special achievement. Special achievements can be musical, sports-related or academic such as an exceptional math score. Made from durable lightweight Millennium fabric, recognition stoles are available in one- or two-colour combinations. For purchase only.

The Honour Cord

A perfect keepsake traditionally dyed gold for students who have excelled academically. Cords are 100% rayon, double-stranded, and 55-inches long with four-inch tassels on each end.

Gaspard also offers coloured cords that can be worn by all graduates as a way to highlight a school milestone such as a 25-year anniversary. Must be special ordered with a six- to eight-week notice.
For purchase only.

The Honour Stole

An eye-catching recognition of high academic achievement. Made of luxurious satin in rich gold, this stole prominently features the word “honour” in clear, sharp-edged black print on the right panel. For purchase only.

Souvenir Gown Package

A great alternative to renting that allows the student to enjoy that “never worn before” feeling and keep the entire graduation outfit.

The package includes a brand-new colour-matched gown and cap. The cap has a 64-strand tassel (in the colours of the student’s choice) with a Golden Graduation Yeardate Pendant. The souvenir gown is made from a slightly lighter fabric than our rental gowns and is designed for one-time use. All souvenir gowns feature the same tailored academic styling as our deluxe rental gowns.
